

2025 Grace Episcopal Church - Lenten Outreach project

Pasadena Union Station Homeless Services' Hygiene Kit Program helps provide the homeless with a "Hygiene Kit" of necessary items. YOU CAN HELP. You can fill your Lenten Mite Box with at least \$40 to donate to the program and we will build a Hygiene Kit to donate for you or take a moment and collect this listed items. Bring them to Grace on or before Easter Sunday, April 20th and we will transfer your items into a special Hygiene Kit bag for donation to Pasadena Union Station. Let's work together to make a carload of Hygiene Kits. For more information, please contact Deb Pullen.

We are also collecting laundry detergent. PODS, liquid or powder detergent is all welcome.

All Items can be out in the green bin in All Saint's Room.
